- "Labor Insurance combining National Pension coverage years" means the insured persons of Labor Insurance applying for disability pension can be combined with the National Pension coverage years. The funding needed for the combined calculation of National Pension coverage years will be repaid by the insurer of National Pension.
- Maternity benefit and funeral benefit shall be paid for once, the other pension payments shall be paid by monthly. So, the grand total persons of maternity and funeral benefit mean the accumulation of the "persons" per month.
- Since Oct. 2008, the Old-Age Citizens Welfare Allowance transferred to the coverage of Old-Age Basic Guaranteed Pension payment, and the Old-Age Indigenous Welfare Allowance transferred to the coverage of Indigenous People Payment.
